Subject - Payment of excess water charges due by the Bangalore City Municipality

I have the honour to inform you that, as a matter of convenience, the Municipal Commissioner, Bangalore City Municipality, proposes to pay the dues to the Water Supply Department on account of water supplied in excess of the daily allowed minimum, once a quarter instead of monthly

2 As there appears to be no objection to such an arrangement, instructions are being issued to the Executive Engineer, Water Supply Division to give effect to the above suggestion, and to recover regularly the dues payable by the Municipality along with the quarterly demand of One lakh of rupees, after giving credit to the Municipal funds the amount of excess water charges less the collection charges, continuing however, the present practice of sending monthly bills for the excess water charges over the daily allowed minimum
